POPULAR SCIENCE EDITION

A 12 Volume Set that provides "know-how" knowledge for the whole family. For the handyman about the house, this set contains many features such as home improvements and repairs, workshop projects and care of the car. For the lady of the house, there is detailed data about functional kitchen and laundry room planning, gardening, drapery and curtain hanging techniques and a portfolio of decorating ideas. For the youngsters, simple projects they can do for themselves, bike care guide, bird house building, play equipment, etc. Simply written in easy-to-read directives especially prepared for the average home-maker. Pages are crammed with photographs and sketches, and charts that illustrate every subject. Knowledge is up-to-date and authentic, in non-technical language. Hundreds of ways to fix things—Thousands of ideas for Home-Helpers!

Handy Home Helpers for Husband and Wife & Hobby-Builders for Youngsters.

One Home Repair Can Save The Cost of This Entire Set!
